

Who we are:

Mission for Education, Social and Health (MESH) is the NGO of the Nigerian Supreme Council for Islamic Affairs (NSCIA) whose primary focus is engaging in da'wah with creativity and innovation. We mobilise resources to promote qualitative education, social and democratic processes, health services, economic growth and human rights through the provision of crucial assistance for the needy among Muslim Ummah in particular and Nigerians in general in collaboration with other relevant Local and International organisations.

Vision Statement:

Nigerian Community with good Quality Life

Mission Statement:

To Provide The Basic Services on Education, Social and Health to the less Privileged People in Nigerian Society.

Education Program

The Aim is to Contribute to Literacy Rate in the Society Through Vocational Training and Empowerment Programs.

OBJECTIVES

- a. To provide access to vocational program such as Tailoring, Carpentry, Cobbler, Soap Making, Fish Farming and Chicken rearing;
- b. To create opportunities for Orphans Education through Scholarship program
- c. To provide Life-Skills training to the Disabled e.g. Deaf

SOCIAL PROGRAM

This program is aimed at reducing the social vices in the society by changing the negative perception of people.

OBJECTIVES:

- To improve the economic status of women through Women Economic Empowerment.
- To contribute to reduction in social vices through Marriage Counseling
- To reduce mortality through Drug Abuse sensitization among Motor Vehicle drivers
- To increase transparency in the Nigerian Elections through coordination of observations.

HEALTH PROGRAM

This program is aimed at improving the health status of Nigerian society

OBJECTIVES:

- a. To contribute to the achievement of SDG 3 *Ensure healthy lives and* promote well-being for all at all ages;
- b. To improve the health of community people through medical outreach;
- c. To contribute to reduction of high maternal mortality rate by promoting ante-natal care services
